Press Release

Bloedorn Lumber Expands Services with Remodeled Store

Bloedorn Lumber located at 1020 west 3rd Street in Alliance will celebrate their newly remodeled and expanded store with a grand re-opening on August 26 & 27. The event will feature free refreshments, registration for hourly prize drawings, with the grand prize of an Honda ATV. All are invited to join in on the fun.

The remodeling project began in January of this year, with the hardware department, by adding space and stocking units for more complete offerings and worked into expanding the project showroom for windows & doors. And coming this Fall, an IDEA CENTER for kitchen & bath cabinetry. The paint and decorating center received additional space in response to recent growth in that department. Bloedorn also offers on-line purchasing with over 65,000 items for needs in home improvement, leisure, house wares, agriculture and automotive.

Additionally, seeing a community need, the Company added a Rental Solutions Department offering tools and equipment for homeowners and professionals for lawn and garden, earth moving, steam cleaning, moving, building and remodeling projects. New equipment is being added each month.

To complete the project Bloedorn is adding new yard and delivery equipment to increase their service levels, shortening the receiving an order to delivery times, to better meet customer needs.

Bloedorn Lumber Company has evolved for more than 80 years. From its humble beginnings in 1919 as a lumberyard in Torrington, Wyoming, Bloedorn has set a standard of excellence and is proud to serve as a headquarters for building materials, home improvement and hardware needs with 21 stores throughout Wyoming, Montana, Nebraska and Colorado.
